

# BAKE THAT!

## Planet Pursuits presents Bake That!

A fun activity where teams compete in a bake off!

Inspired by the Great British Bake Off, teams get creative by taking part in the nation's favourite activity of the moment – baking!

Each team will have their own cook station, with mini oven, as well as recipe sheets and all the necessary equipment they will need to help them create their team treats. Our expert chefs will be there to give advice, tips and techniques, so everyone can be confident that they can achieve something delicious, no matter how bad a cook they may think they are!

Just like on Bake Off, teams are given 3 different challenges: Signature Bake Biscuits, Technical Challenge French Macarons, and Showstopper Victoria Sponges.

As a fun conclusion, guests display their bakes for judging. After a tasting session the winning team will be awarded with "star baker" medals. Leftovers can then be boxed up and enjoyed at home.
